

**Certified Registered Nurse Anesthetist
Provider Type 74
907 KAR 1:102**

Information about the program:

- All CRNA providers must be licensed by the state where they practice. The licensing authority for Kentucky is the Kentucky Board of Nursing.
- Out-of-state providers may enroll.

Additional information to be submitted by provider for application processing:

- MAP-811 Individual and KAPER-1/CAQH
- MAP-811 Addendum E
- Map-347 (if working in a group setting)
- Copy of Social Security card or notarized statement signed by the applicant if applicant does not own a tax id.
- If applicant is sole owner of a tax id, need to submit W-9 form.
- State license (current and reflecting requested enrollment date) *See Below
- Specialty license (current and reflecting requested enrollment date)
- CLIA license (if applicable)
- NPI and Taxonomy Verification

*Certain states do not issue nurse anesthetist licenses. The respective boards will only issue Registered Nurse licenses. It is the responsibility of the RN to get a national certification for their specialty of nurse anesthetist. In this case, applicants must supply their RN license and their national nurse anesthetist license with effective date.
